

ECADOC summer school 2023

The European Doctoral Programme in Career Guidance and Counselling (ECADOC) aims to train future academic and practitioner leaders in the field of career guidance and counselling to become interdisciplinary researchers with strong leadership and teaching competences. The programme is a joint initiative of the ESVDC and the NICE Foundation and is supported by higher education institutions from more than 10 European countries.

Doctoral School of Arts and Danish School of Education, Aarhus University, The Danish School of Education hosts a research unit in professional guidance. This unit supports research talent development through PhD courses and summer schools.

Five students and one supervisor from the CNAM Paris (INETOP-CRTD) took part in this summer university.
